Zadeva: Obvestilo o uvajanju sistema najav kamionov za Avtomobilski in Ro-Ro terminal

Spoštovani,

skladno s predvideno in že komunicirano časovnico uvedbe sistema Najav kamionov (VBS – Vehicle booking system) bomo jutri 23.07.2019 pričeli z uvedbo sistema najav kamionov za Avtomobilski in Ro-Ro terminal, zato prosimo, da vse prihode kamionov v Luko Koper ustrezno najavljate. Najava je veljavna samo v primeru, ko je poleg ure prihoda določen tudi voznik kamiona, zato prosimo, da za vsako najavo vnesete ustrezno številko dovolilnice voznika.

Ker smo v prehodnem obdobju uvajanja, zaenkrat še ostajamo tolerantni do vstopa kamionov, ki nimajo najav. Vseeno pa vas prosimo, da upoštevate navodila in prihode kamionov v najavljenih urah.

V kolikor imate vprašanja smo vam še naprej na voljo na elektronskem naslovu najava.kamionov@luka-kp.si in na telefonskih številkah +386 (0)5 66 56 470 ali 471. Za tehnično pomoč pa lahko pokličete na telefonsko številko +386 (0)80 1316 ali pišete na elektronski naslov pomoc.actual@actual-it.si.

Lep pozdrav,
Luka Koper, d. d.

To the kind attn. of

Agents, forwarding agents and road hauliers

22 July 2019

Notice on the introduction of the VBS – Vehicle booking system for Car & Ro-Ro Terminal

Dear Sirs,

In accordance with the communicated timeline for the introduction of the VBS (Vehicle booking system) we will activate the VBS on the Car & Ro-Ro terminal on 23rd July 2019. We kindly ask you to use the system for all your arrivals. Let us remind you that the arrival announcement is valid only with a specified time of arrival and information about the truck driver – for every arrival announcement please insert also the permit number of the truck driver.

Since we are in the transitional period for the VBS introduction, we still tolerate the entrance of trucks which are not booked. However, we are kindly asking you to follow the instructions and book the trucks' arrivals.

If you have any question, please do not hesitate to email us at: najava.kamionov@luka-kp.si or call the phone numbers +386 (0)5 66 56 470 or 471. For technical assistance you may call the phone number +386 (0)80 1316 or email at: pomoc.actual@actual-it.si.

Yours faithfully,
Luka Koper, d. d.
