Port machinery wash-service tariff supplements

1. Tariffs do not include VAT charged in compliance with the pertinent legislation.
2. Regular working hours are from Monday to Friday between 6 am and 2 pm.
3. For washing services performed out of regular working hours a prior arrangement shall be made. This arrangement must be confirmed in a written form by a person in charge of the wash. For ordering washes out of regular working hours please contact the following tel. numbers: +386 31 636 612 or +386 41 349 193. Tariff for services out of regular time:
 - For overtime during workdays (from 2 pm till 10pm) the Tariff charged is 50% higher than the standard rate
 - Saturdays (from 6 am until 2 pm) the Tariff charged is 75% higher than the standard rateWash services out of mentioned periods can be made upon prior arrangement.
4. Services not included in the Tariff Table:
 - dusting vehicles with soda: washing tariff is 20% higher
 - tariffs for vehicles not included in the above Table shall be charged on the basis of a comparable vehicle
 - in the event that there is no other basis for calculation. charges shall be levied on the basis of an hourly rate of 25 EUR per hour. with half-an-hour being the minimum amount;
 - in the event that materials need to be removed from a vehicle prior to washing. such removal is charged for on the basis of the hourly rate (see above). and the disposal of such material is charged for at a rate of 210 EUR per cubic meter. The client and the contractor shall together estimate the amount of any such materials.
5. Payment for regular customers with contract shall be due within 20 days of service provision. Occasional customers shall pay the immediately on site.
6. This Tariff becomes effective as of 1st July 2008.
