Spoštovani,

kot smo vas že obvestili, smo v minulih dneh sprejeli številne ukrepe za preprečevanje širjenja okužbe s koronavirusom, tako pri ladijskih postopkih kot ostalih delovnih procesih na kopnem. Želimo poudariti, da v tem trenutku **delo na vseh terminalih poteka nemoteno**.

Vsa obvestila vezana na trenutne razmere objavljamo tudi na spletni strani
<https://www.luka-kp.si/slo/novice/single/korona-info-34958>

V kolikor se bodo razmere v prihodnjih dneh spremenile oz. če bomo s strani odgovornih državnih organov prejeli drugačna navodila ali ukrepe, ki bi lahko vplivali na nemoteno delovanje pristanišča, vas bomo o tem nemudoma obvestili.

Lep pozdrav,

Luka Koper ,d.d.

Dear business partners,

As already communicated, we have taken various measures in recent days to limit the spreading of the Covid-19 disease. These measures are related to vessel protocols and other working processes in the port. **We would like to emphasize that currently operations on all terminals are proceeding on a regular basis.**

All notifications regarding the situation of port operations are available here
<https://www.luka-kp.si/eng/news/single/corona-info-34958>

Should the situation related to port operations change or we receive any other instructions or measures from the responsible national authorities that could affect the operation of the port, we will immediately inform you.

Kind regards,

Luka Koper, d.d.
