Spoštovani poslovni partnerji,

Kar se tiče ukrepov vezanih na koronavirus vas obveščamo, da delo v pristanišču še naprej poteka normalno, tako pri ladijskih, kamionskih in vagnskih operacijah.

Vremenske razmere:

Zaradi močnega vetra je onemogočen privez in odvez ladij, prav tako je moteno delo na depoju s praznimi kontejnerji. Delo sproti prilagajamo trenutnim vetrovnim razmeram, glede na napoved pa se bomo z omejitvami zaradi vetra srečevali predvidoma do jutri dopoldan. Ažurno stanje na terminalih lahko spremljate na <https://www.luka-kp.si/slo/stanje-in-delo-na-terminalih>

Lep pozdrav,

Luka Koper, d.d.

Dear business partners,

In relation to the corona virus measures we inform you that Port of Koper remains fully operational on vessel, rail and truck segments.

Weather conditions:

Mooring and unmooring of vessels is currently not allowed due to strong wind. Because of strong wind there are also limitations on the depot for empty containers. We are adapting the work to the current wind situation. According to the weather forecast, we expect wind-related limitations until tomorrow morning. You can always check the situation on terminals on <https://www.luka-kp.si/eng/operations-on-terminals>

Best regards,

Luka Koper, d.d.
