Spoštovani!

Obveščamo vas, da smo z današnjim dnem, t.j. **25. aprilom 2014**, prešli na novo sodobno informacijsko rešitev izdelave računov, ki bo osnova za izmenjavo e-računov v prihodnje. Pri tem smo opustili matricno tiskanje na večslojni papir, kar pomeni, da boste od danes naprej prejeli račune podjetij Skupine Luka Koper **v enem izvodu**.

Obenem vas obveščamo, da boste v mesecu maju prejeli pristopni obrazec za prehod na e-račun.

Za dodatna pojasnila vam je na razpolago Taj Morel, vodja projekta E-račun na e-mail naslovu taj.morel@luka-kp.si.

Lep pozdrav.

Dear business partners,

we inform you that from today, 25th April, we are starting a new invoicing IT solution, which will be used in the near future as a basis for the new paperless e-invoicing system. We have abandoned the dot-matrix printing on multi-layer paper which means that from now onwards you will be receiving the invoices of Luka Koper Group in one **single copy**.

We also inform you that in May 2014 you will receive an application form for registration on the e-invoice system.

For further queries please contact Mr Taj Morel from the IT department: taj.morel@luka-kp.si.

Best regards,

Luka Koper, d.d.
