6. Amendments to the Statute of the Company

Resolution Proposal:

The General Meeting adopts the following amendments to the Company Statute:

Article 2 of the Statute shall be amended to read:

»The Company is a corporation (joint-stock company) that pursues a gainful activity. The underlying goal of the Company is to maximise the value of the Company in the long run, sustainably.

In addition to the primary goal referred to in paragraph 1 above, the Company shall implement the strategic development goals reflected in the concern for maintaining and developing the port infrastructure in the freight port of Koper, for a smooth operation and development of business in the port, and observing the orderly corporate governance principles.

The Company also pursues further goals that shall be individually described and substantiated in a proposal of the Management Board and submitted to the General Meeting for approval or adoption, by way of amending the Statute or by a resolution to be adopted by a three-quarter majority of the share capital.

Should the goals of the Company be controversial or mismatched, the relations among such goals shall be determined by the General Meeting, or laid down in the corporate governance policy."

Article 10 of the Company Statute shall be followed by a new Article 10 a, which reads:

»The convener of the General Meeting referred to in the preceding Article of the Statute may lay down in the convocation letter that the shareholders take part in the General Meeting and vote by electronic devices, without being physically present at the meeting (electronic – e-GM).

The following rules shall be observed in the implementation of an electronic e-GM:

- *a technical solution must guarantee the full transmission of image and sound of the General Meeting in real time,*

The Company must put in place the necessary terms and modality to establish the identity of shareholders or their proxies, and to ensure a safe electronic communication in such a way that no unproportional demands could adversely affect the attendance and activity of shareholders,

The technical solution must enable to shareholders, in real time, to vote on the proposals on the agenda, put questions, take part in a discussion, file a counter-proposition, file a Statement announcing to challenge the resolutions, an other activities,

The eligible technical solution must guarantee safe electronic communication and record-keeping of the recordings,

- *The modality of evaluation of the content/ substance of votes must be indicated in the Minutes of the General Meeting.*

The Company's Management Board is authorised, subject to consent of the Supervisory Board, to lay down detailed procedural rules for the attendance at the General Meeting and for voting at an electronic GM ('e-GM'), as well as determine other aspects of conducting an e-GM, and to publish such rules on the Company website. The Convener of the GM from Art. 10 of the Statute shall publish detailed procedural rules for the attendance at an electronic GM, as well as other aspects of conducting an e-GM in accordance with the rules published on the Company website and quoted in the convocation letter."

Considering the a.m. changes or amendments to the Statute, a consolidated text thereof shall be prepared.

Total number of votes cast	10.709.155
IN FAVOUR OF (FOR) the proposed resolution	10.708.314
AGAINST the proposed resolution	841
ABSTAINED	1.310

There were no challenging actions declared at the General Meeting of Shareholders.
