# Gemini Cooperation

Hapag-Lloyd and Maersk agreed on a long-term operational partnership starting February 2025

- Gemini Cooperation will bring clear benefits to you

Improved **Schedule Reliability**, **On-Time Delivery** and competitive **Transit Times**

A strong partnership in the **East-West Trades**: Far East/Europe & Mediterranean, Transpacific (excl. India), Atlantic (excl. Canada) and Middle East

An **innovative Hub & Spoke Concept** with an efficient mainliner network, complemented by a dedicated shuttle network and efficient large tonnage

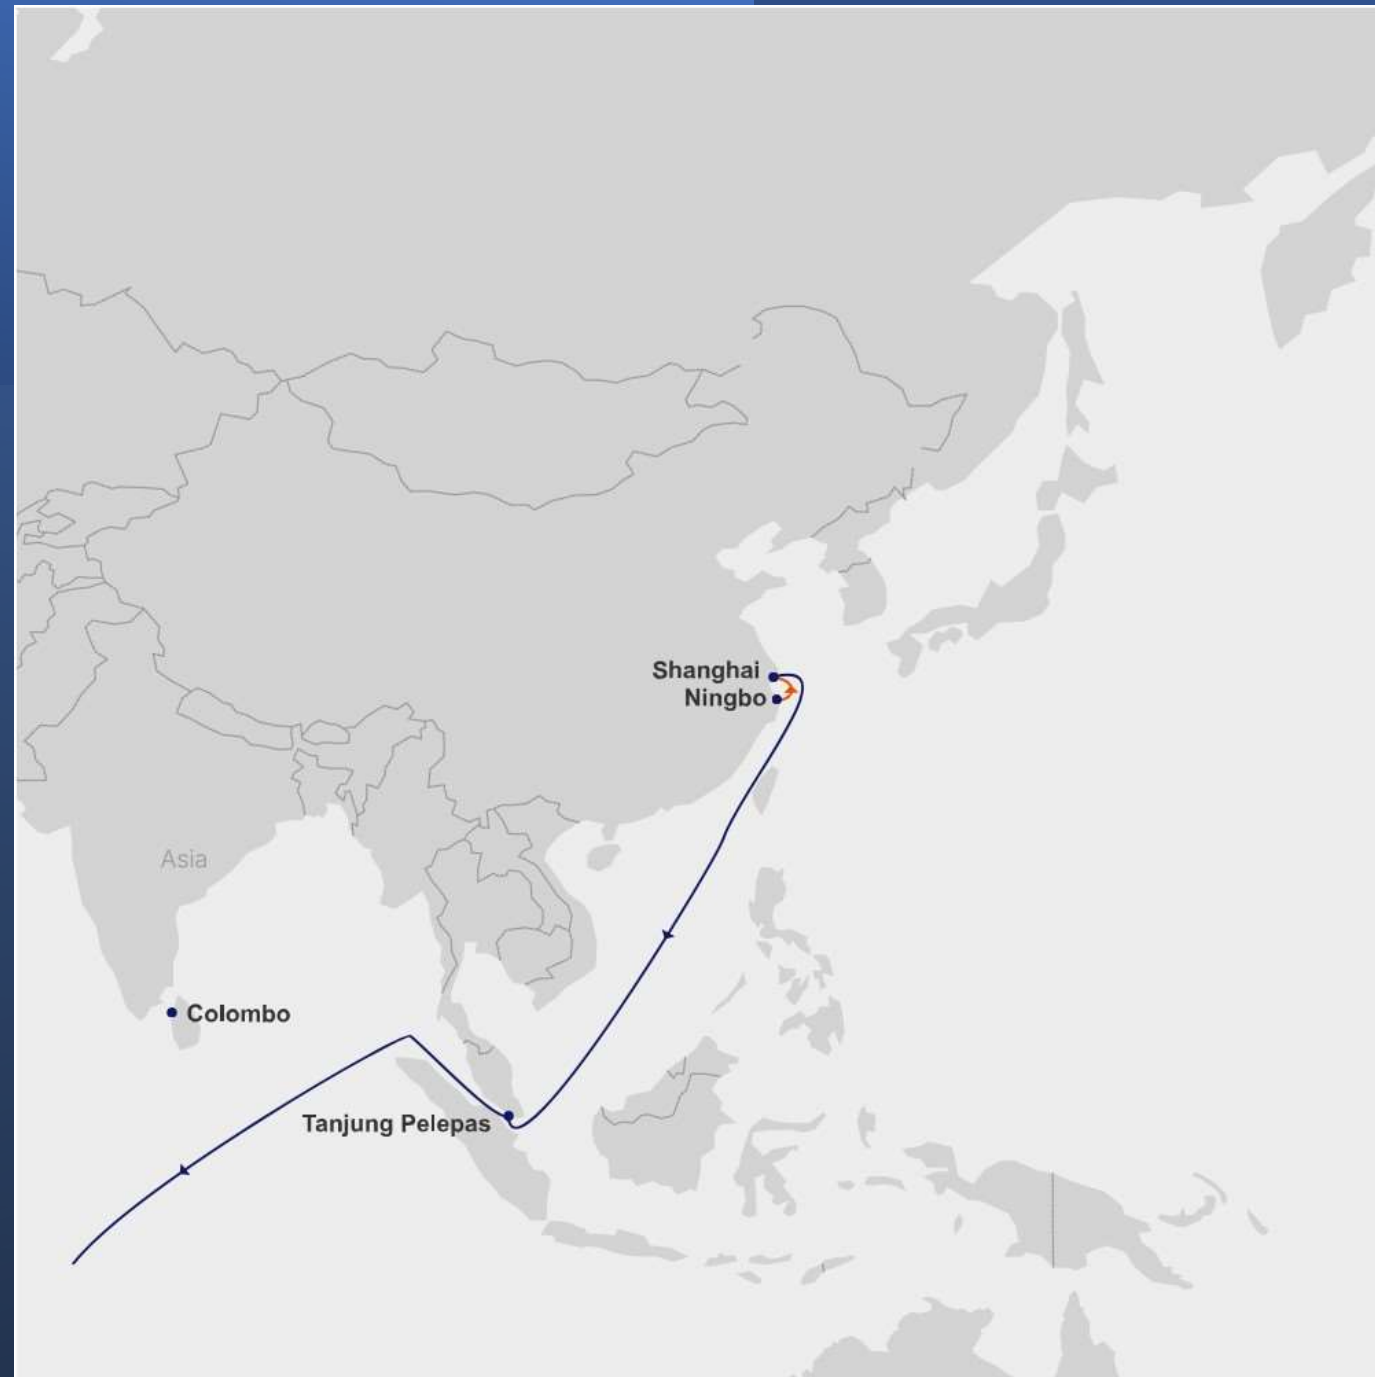

Strong terminal operations in **Key Hubs** that are (mostly) operated by the partners allowing for “**side-by-side transshipment operations**”

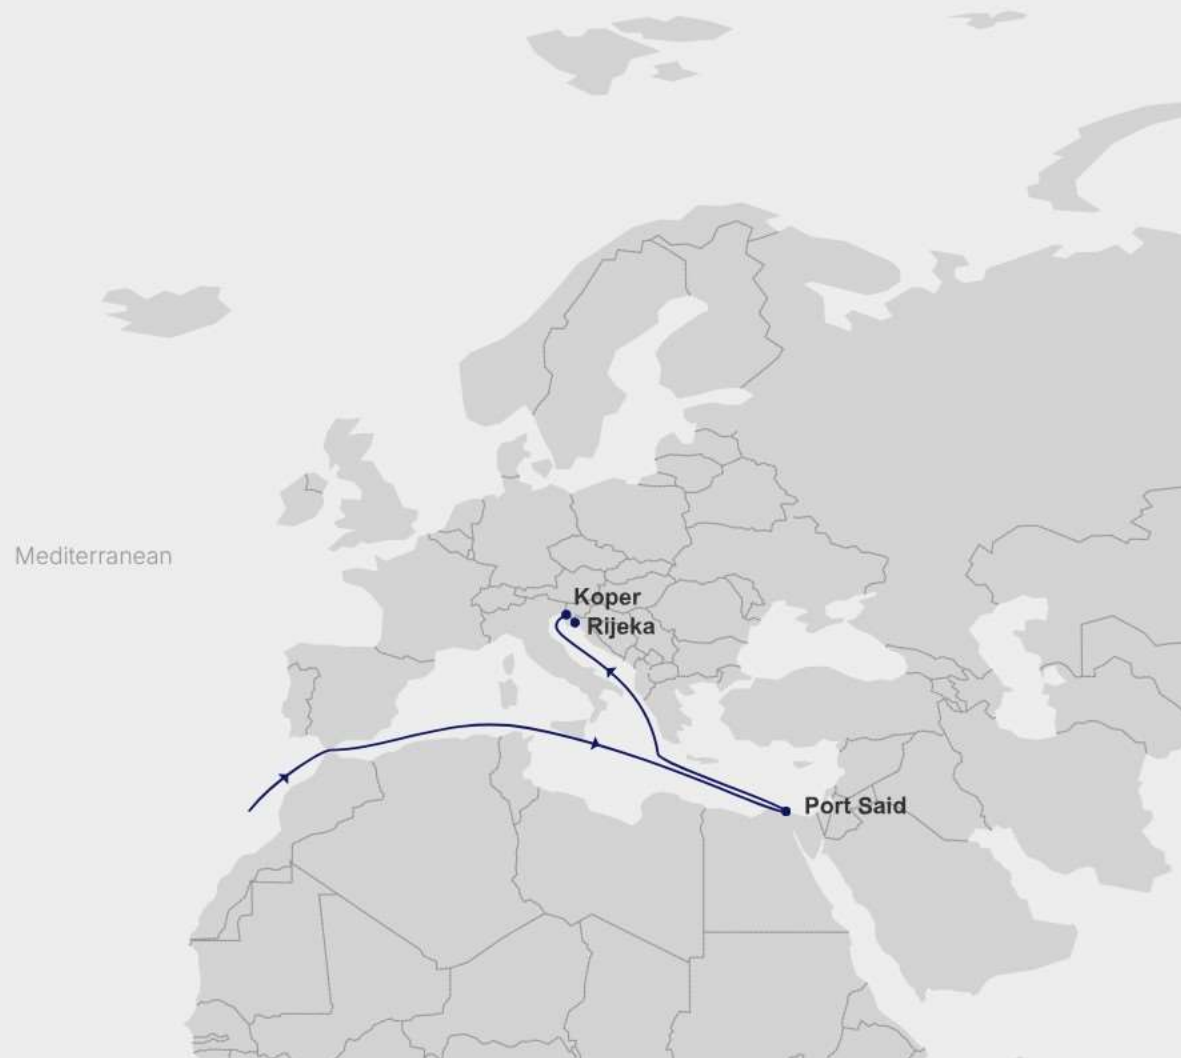

**Sustainability Commitments** with annually increasing sustainability targets

## SE1 Westbound service

Key weekly service to Koper (SI) and Rijeka (HR) as gateways to Central European markets from Central China via the Cape of Good Hope and from Port Said East as last stop before Koper.

**SE1**  
Westbound

- Port Said East (EG) enables direct, fast and efficient connection to Koper port.

**Vessels from Port Said East depart regularly every Wednesday  
and are scheduled to arrive to Koper port every Monday morning.**

All vessels of our shipping company Hapag-Lloyd AG on this **SE1 Westbound service** are:

- **A15 CLASS VESSELS**
- **Approx. 15.000 TEUs**
- **1.000 Reefer Plugs**

# Gemini Cooperation will enable us to offer significantly higher quality liner services to our customers

## Our value proposition ...

**RELIABILITY**

**CONNECTIVITY**

**SUSTAINABILITY**

## ... your benefit

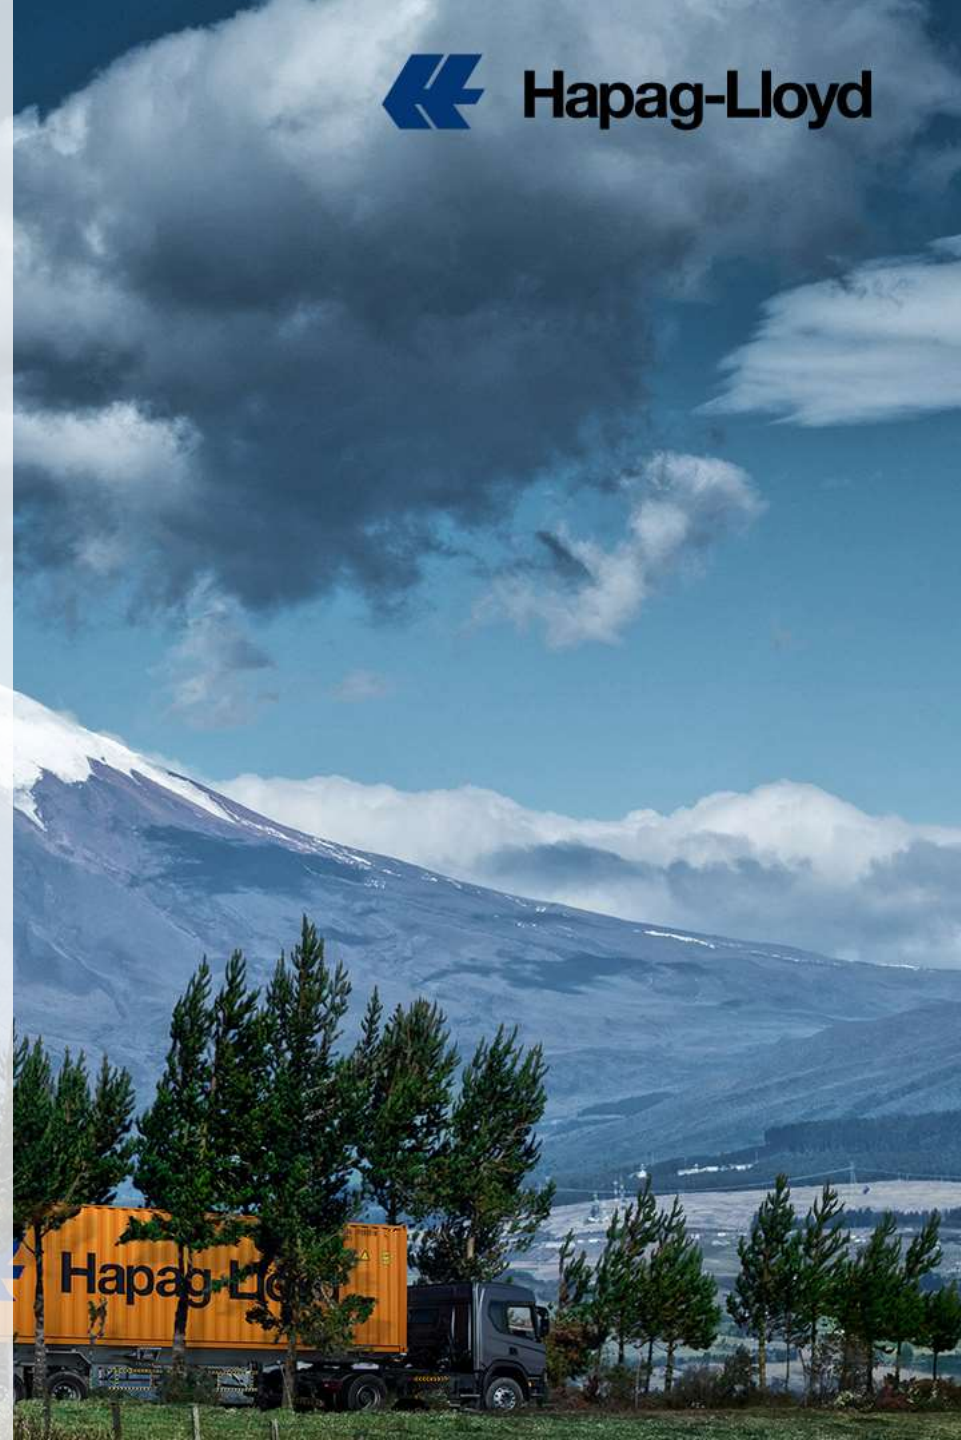

- Enable >80% on-time delivery of your cargo
- Link all your relevant markets with fast and resilient transit times
- Accelerate the decarbonization of your supply chains

**Express services, 24/7 support from our sales force, modern reefer fleet:**

with Hapag-Lloyd, your perishable goods arrive fresh at their destination. From the origin, and all the way to the table, they require a high level of expertise to transport and the best equipment quality. Therefore, our top priority is to provide you with best-class service.

That is why we rise to the challenge of safeguarding the quality of your perishable goods and can ensure that your cargo is kept in its optimal condition, no matter where or when. Our service, expertise, top-quality equipment, and our “human touch” are at your disposal.

# YOUR BENEFITS

- Be ahead of the market with the shortest transit time with our direct service from Egypt to Koper
- Maintain your supply chain's flow with deliveries to Central and North European Markets
- Plan with flexibility with 24/7 availability at Koper terminal

# OUR OFFER

- A wide network designed for your business offering direct connections ex-Port Said to main destinations overseas
- Strong focus on reefer fleet steering to ensure that our equipment is where and when you need it
- A reliable and quality-oriented carrier for reefer transportation with a global network of dedicated reefer experts always available to support you
