ADDITIONAL CHARGES TO THE WASHING SERVICES PRICE LIST

1. VAT is not included in the service prices.
2. Regular working hours are from Monday to Friday, from 06:00 to 14:00.
3. For washing services outside regular working hours, a special prior arrangement is required which has to be confirmed in writing by the washing facility manager. For appointments outside regular working hours please call **+386 (0)31 636 612** or **+386 (0)41 349 193**.
For special arrangements, service prices are as follows:
 - overtime work on workdays (Monday – Friday) from 14:00 to 22:00: **+50%**;
 - Saturday work from 06:00 to 14:00: **+75%**.For washing services at other times, prices are to be determined by agreement.
4. Services not included in the price list:
 - vehicles covered with soda ash **+20%** washing price;
 - for vehicles not included in the price list, the washing price is charged based on the price of a comparable vehicle;
 - if a service cannot be charged according to the price list, prices are formed based on an hourly rate, the minimum unit charged is half an hour (30 minutes). The **hourly rate is EUR 27.50**.
 - in case of substance/material deposited on the vehicle that needs to be removed before washing, the time for removal is charged based on an hourly rate and the removal of material is charged at **210 EUR/m3**. The amount of the material to be removed shall be estimated by the customer and wash facility manager together.
5. Payment terms:
 - payments by Luka Koper d.d. and regular customers in line with the contract (20-day term of payment);
 - one-time (one-off) users are required to pay immediately, prior to the washing service.
6. The present Price List is effective from 1 January 2019 (the price for semi-trailers washing service shall enter into force starting from 1 April 2026).
