WHY MSC?

WE DELIVER 

As a leader in transport and logistics, MSC reaches every corner of the globe, bringing your cargo safely and quickly from A to B through tailor-made, end-to-end transport solutions across road, rail, and sea.

WE SUPPORT 

We pride ourselves on offering the best customer service in the industry, and we make every effort to meet your individual needs and build long-term partnerships. We are known for our local and global expertise, professionalism, and top health and safe tyre cord.

WE INNOVATE 

Our fleet is among the most modern in the world, and we invest in state-of-the-art equipment and technology to transport your cargo securely and efficiently to its destination

WE CARE 

We connect the world, and we have a responsibility that goes beyond simply transporting cargo. We are committed to protecting our blue planet for future generations. As a growing global company in shipping and logistics, we seek to contribute to building resilient and inclusive supply chains and believe that operating sustainably benefits our colleagues and crew, our customers and the Communities in which we operate.

THE PRE-SHIPPING CHECKLIST

Frozen Cargo
(e.g. meat, fish, ice cream)

- Cargo must be pre-frozen to the correct temperature
- Load as a solid block with no gaps
- Do not exceed the maximum load height
- Ventilation must remain closed (no airflow)

Chilled Cargo
(e.g. fruit, vegetables)

- Requires careful handling to maintain quality
- Must be pre-cooled before loading
- Ventilation must be adjusted based on cargo type
- Packaging must allow air circulation
